

Undergraduate Application for Withdrawal

With the approval of the Associate Dean, students may withdraw from a given quarter through the **last day of instruction** for that quarter. Initiate this withdrawal form with the College Student Affairs Office. If you withdraw without notifying the Associate Dean, failing grades will be posted and your eligibility to reenter the University of California, Riverside or transfer to another institution may be jeopardized.

Note: When you withdraw, you cease to be a continuing student at the University of California, Riverside. To return, you must apply for readmission through the Office of the Registrar. After your readmission, you will receive new registration materials as a readmitted student. Readmission deadline dates are as follows:

Fall Quarter – August 15

Winter Quarter – November 15

Spring Quarter – February 15
