APPLICATION FOR PLANNED EDUCATIONAL LEAVE PROGRAM (PELP)

Directions to the Applicant

1. Read the UCR PELP Information Sheet to determine if Planned Educational Leave is appropriate for you. You are encouraged to consult with your academic advisor, your associate dean, or the staff of the Counseling Center.
2. Complete this application form, supplying all information required.
3. Obtain the approval of your academic advisor and the associate dean of your college.
4. Pay the non-refundable fee of \$55.00 at the Cashier's Office. (If dismissed for academic reasons, the \$55.00 application fee will be refunded, and this application will be voided.)
5. *File this form and current Registration Card with the Registrar before departure. The application deadline for PELP is the first day of the quarter in which PELP is to begin.*
6. It is your responsibility to be informed about the effect of the Planned Educational Leave upon such matters as financial aid, housing contracts, veterans benefits, etc.
7. If you do not plan to complete the current quarter, but do plan to register for the next quarter, you file the withdrawal petition and an application for readmission for the next quarter, and you are not considered to be on PELP.
8. If you do not plan to complete the current quarter and plan to be on leave for at least one full quarter, you must file a withdrawal petition in addition to the PELP application form.
9. If you have paid your fees for next quarter and will be filing the PELP application before the first day of classes for that quarter, you must notify the Registrar's office to receive a refund.
10. International students should not apply for PELP, because any non-U.S. citizen attending on a student visa who is not registered full-time during a regular quarter is subject to revocation of their student visa.
11. Students on PELP may not enroll at another academic institution.
12. To request a change in PELP, you must:
 - a) *Shorten*: Request approval from your associate dean at least one month before the start of the quarter for which you intend to return.
 - b) *Lengthen*: Request approval from your associate dean at least three weeks before the start of the quarter for which you had originally intended to return. The total length of time you are on PELP cannot exceed three consecutive quarters (excluding Summer Session).
